

SUHRCO Residential Properties, L.L.C.

Regional Property Manager

Thank you for your interest in SUHRCO!

SUHRCO manages a diverse portfolio of commercial and residential investment-grade properties including those owned by pension funds, large institutional real estate owners, private investors, and partnerships. Located in Bellevue, Washington, SUHRCO Management, Inc. and SUHRCO Residential Properties, LLC have been meeting the specific requirements of Pacific Northwest properties for over 35 years.

We are seeking experienced regional property managers with a minimum of five years experience managing a portfolio of properties. Must be results-oriented and interested in growing with us. You will manage developer and home/condo owner controlled associations. To be successful in this position, you must possess a strong work ethic, have excellent interpersonal skills with internal and external customers, and have the ability to prioritize effectively while handling multiple projects. Excellent verbal and written communication skills, computer literacy, and solid business skills combined with a positive, can-do attitude are required. Candidates should have proven experience managing multiple associations including budgeting, project management, managing service bids and contractors, and preparing and facilitating homeowner association meetings. Certifications, such as the following, are a plus (AAMC®, ARM®, CMCA®, CPM®, PCAM®).
